Additional Meeting Information

- In compliance with both state regulations that the lake district must have an annual meeting before Sept 8th and CDC guidelines to limit large gatherings we are limiting the meeting agenda to one vote to extend the current budget and postpone the elections of commissioners until the next annual meeting.
- For the health and safety of all district members, we are attempting to limit the meeting time by requesting that any questions/discussion points on the agenda would take place via e-mail prior to the meeting. Please e-mail questions to the board (loonlakeboard@gmail.com) by September 1st. The board will respond back via e-mail to all district members prior to the meeting.
- Attendance at the meeting is not required. Please use your own judgement determining if you should attend. If you attend, face masks are required, and we ask that you follow all CDC/State social distancing guidelines during the meeting.
